

II Prepositions in History

My teacher told me I need to use more connectives! What are connectives?

A word that connects words or sentences.
A conjunction or preposition.

Connectives help to write fluently about history. Still confused about how to use them?

History connectives

and

but

finally

or

for example

this meant that

because

in addition

overall

Connectives for listing arguments

Firstly

Furthermore

Secondly

In addition

Moreover

Finally

Concluding connectives

Three common concluding connectives are:

In conclusion

In summary

Thus

Every connective must be in a sentence.

Homework:

- Write a story using connectives.
- Write a text about a king.
